**ELIGIBILITY REQUIREMENTS FOR CST SCIENCE SCHOLARSHIP**

1. Must be in 11th grade of high school.
2. Possess strong English skills and be a legal U.S. resident.
3. Must be attending a four year public academic high school in one of the following schools: Lynn Classical High School (2 students), Lynn English High School (2 students) Salem High School (4 students), Peabody Veterans High School (4 students), or Gloucester High School (4 students).
4. Be eligible for free/reduced lunch or be the first in their family to go to college (neither parent went to college). Other criteria for financial need may be defined by the CST Scholarship Committee.
5. Must have a minimum 3.0 GPA in high school. The CST Scholarship Committee shall have discretion to consider a Scholar with a GPA of 2.8 or higher if that student demonstrates outstanding interest and potential in a science field through extracurricular activities, jobs, volunteer activities, etc.
6. Intend to enroll as a full-time student in a 2 or 4-year accredited college or university and pursue one or more majors in qualified science fields of study. This commonly includes majors from the following areas: Biology, Biochemistry, Chemistry, Environmental Science, Physics, Psychology (B.S. degree).
7. By the end of senior year in high school, intend to complete an upper level AP class in one of the following courses: biology, chemistry, physics or environmental science.
